The time period for reply, if any, is set in the attached communication.

**Attachment to Advisory Action**

The new issues are newly inserted limitations drawn to newly defined concentrations of various salts such as, for example: substitution of total generic salts for total combined of sodium and chloride salts. The new limitations require further calculations, considerations and/or search. The issue of new matter might also exist.

Applicants arguments filed 9/01/2010 have been fully considered but not found persuasive because they are mostly directed to the same issues discussed in the last office action.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Vera Afremova whose telephone number is (571) 272-0914. The examiner can normally be reached from Monday to Friday from 9.30 am to 6.00 pm.
